

5th Ranger Battalion

Re-enacting Society Inc.

WHY READ ABOUT HISTORY? WHEN YOU CAN LIVE IT!

World War II was the greatest armed conflict ever witnessed by mankind. Young Americans would find themselves serving in battlefields around the world. Many made the ultimate sacrifice to rid the world of tyranny and oppression.

We are a group of individuals dedicated to preserving the military history of these remarkable men. We represent the members of the **5th Ranger Battalion**, famous for being the cradle of the Ranger motto: "Rangers lead the way!" Currently we operate multiple groups of WWII re-enactors in the continental United States.

We wear the uniforms, carry the gear & weapons, and

operate in the field in the same manner as the WWII Army Ranger. In doing so we hope to bring the story of the American soldier in WWII to life in the present day as authentically as possible.

Getting into the hobby is easy!

All that's needed is an interest in WWII military history and a few basic, readily available items for your impression. Of all the time periods in war re-enacting World War II can be the least expensive to begin.

Living history displays and battle re-enactments using blank ammunition take place year-round, nation wide. If you have an interest in WWII and would like further details on the quickly growing hobby of WWII re-enacting and the 5th Rangers, please contact us at the below website and/or e-mail address.
